- Answer Sheet
- Small prize for winning team (candy, stickers, etc.)

Preparation

- Download .ppt to computer
- Ensure screen/projector are available

Eating & Settling-In (15 min)

Greetings (10 min)

Choose from Greetings & Closings

Focus (5 min)

Introduce the lesson by explaining that each team will be competing to discover who knows the most A/C/E terms.

Mini-Lesson/Modeling (20 min)

- Explain that Quizzo is a knowledge-based trivia game
- Split students into teams
- Instruct students to agree on an answer to each question and write it down on the team's answer sheet
- The team with the most correct answers wins

Small Group/Independent Work Time (40 min)

- Play ACE Quizzo
- After the last question in each round, provide the teams with the correct answers
- Inform teams of who is in first, second, third place before moving on to next round
- At the end of the final round, provide the last round's answers, tally points, and declare a winning team

Reflection/Closing (10 min)

- Congratulate all teams on a fun & informational session

Looking to Next Week (5 min)

Clean-Up (10 min)
