MENTOR TRAINING		
8.27.20		
Questions	Answers	
If guest speakers are not required to register, how can they complete the training?	Guest speakers are not required to do the background check since there will always be a mentor with them. They can register in the database to go through the training (and capture their info) or you can send them the training pdf directly. It is a best practice to have them register in the database.	
How much do you pay for the Zoom account with breakout group capabilities?	zoom with the break out capacity is \$15 a month.	
Do you feel that the one on one intro meeting and the personal outreach helps with mentor retention?	Yes, the more contact and information that the mentors have and feel invested, they will stay longer.	
once we are accepted as a mentor do we need the training?	The training is part of the registration process in the database.
