

INTERNATIONAL DATA CENTER DAY

Powered by 7x24 Exchange International

INSPIRING THE NEXT GENERATION OF DATA CENTER PROFESSIONALS

International Data Center Day provides the industry an opportunity to virtually open their doors and show, in a collaborative effort, what data centers are, why they are so important to our connected world, and the wide array of career opportunities that are part of the data center industry.

What is a Data Center?

Educate students about what data centers are and how they work

Why are Data Centers Important?

Illustrate the importance of the data center industry on our daily lives

What are Data Center Careers?

Share information on pursuing a career as a data center professional

FOCUS ON THE FUTURE

Get Data Center Certified
