2023 ACE Exemplary School Champion Award

The ACE Mentor Program of America knows that it is the school champions who influence the students to join the program. Their dedication to the program deserves to be recognized. In 2023, the ACE Mentor Program will honor up to five (5) Exemplary School Champions with a national award for their service.

Schedule

- October 3rd Announcement
- November 14th School Champions Nominations Open
- January 27th Nominations Close
- March 15th Winners Announced

Eligibility

To be eligible, the nominee must have been involved with ACE for a minimum of one year, prior to the current year.

Nomination Process

An affiliate may nominate one School Champion. The chair or other senior affiliate leader must submit the nomination on behalf of the affiliate. Self-nominations are not allowed.

In addition to the information requested on the nomination form, an affiliate may submit a maximum of two examples (one page for each example) reflecting the range of the individuals' contributions (e.g., student recruitment and retention). In addition, affiliates have the option of including one letter from a nominee's current or former student.

Recognition

- ACE will notify the affiliate if their school champion is selected.
- National and the affiliate will determine how the honor will be presented to the individual.
- School Champions will receive a \$200 gift card.
- School Champions of the Year will be publicized on the ACE website and in ACE's 2023 Yearbook published as part of Engineering News-Record.

The nomination forms, plus accompanying attachments, if any, should be completed by January 27th, 2023. Please reach out to Monica Worheide mworheide@acementor.org, Director of National Programs with questions or concerns.
