

FALLINGWATER INSTITUTE HIGH SCHOOL RESIDENCIES | SUMMER 2026

**Full scholarships available for ACE students!
APPLICATIONS due February 28, 2026.**

Join us for a week-long educational program that combines fun, challenging studio activities with exploration of an architectural masterpiece. Fallingwater Institute High School Residencies are led by teaching architects and teaching artists, suitable for high school students who are interested in architecture, art, construction, design, and engineering.

Thanks to the generosity of ACE Mentors Program and The Heinz Endowments, a limited number of need-based scholarships are available to cover tuition and travel for Fallingwater Institute High School Residencies and/or tuition for Fallingwater Institute Virtual Summer Camps.
