

BLUEPRINT OF AN ACE STUDENT

The ACE Mentor Program helps build these characteristics in students.

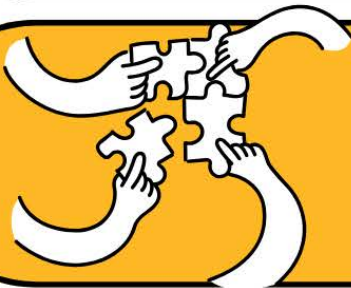

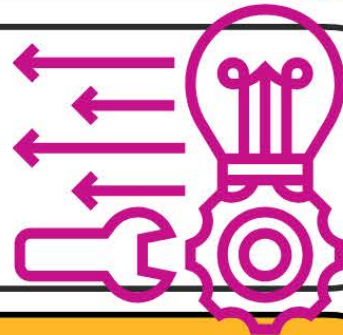

ARTICULATE COMMUNICATOR

Expresses clear meaning and purpose in writing and speaking, helping the listener's understanding.

CRITICAL THINKER AND PROBLEM SOLVER

Demonstrates curiosity and inquisitiveness and an ability to reason through and weigh evidence to make complex decisions and develop solutions.

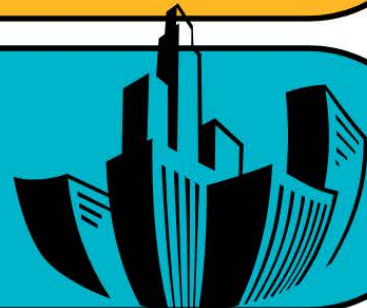

EFFECTIVE COLLABORATOR

Exemplifies the ability to work with diverse perspectives to promote learning and achieve common goals.

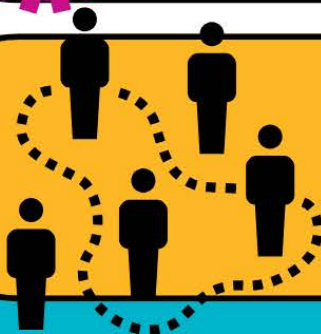

INNOVATIVE PLANNER, DESIGNER, BUILDER

Generates ideas and solutions, planning the form and look, using materials to construct a product over a period of time.

SUCCESSFUL LEADER

Exhibits strong character, including drive, integrity, and ethics, making well-considered decisions to lead their team to success, while enlisting team member participation and interests of the group's purpose.

SUSTAINABLY FOCUSED

Advocates and builds well-being for current and future generations, enhancing the community through dialogue focusing on an environmentally stable society.
