

# ACE MENTOR BOSTON 2026 TRADES DAY

## DISCOVER THE IMPACT OF THE TRADES AND CONSTRUCTION TECHNOLOGY IN ARCHITECTURE, ENGINEERING & CONSTRUCTION

### WHAT TO EXPECT AT THE 2026 TRADES DAY

**Location:** Wentworth Institute of Technology – Annex Building, 550 Parker Street, Boston

**Time:** Saturday, January 31, 10 AM – 1 PM

Live prize giveaway at 1PM

Whether you dream of designing buildings, managing projects, or working hands-on in the field, Trades Day will show how the trades connect every part of the built world.

#### Experience a free Hands-On Day Featuring:

- Carpentry, plumbing, electrical and demo work
- Cutting-edge VR/AR technology and robots
- Virtual Design and Construction (VDC) sessions that connect design and construction
- Conversations with trade professionals who bring ideas to life

#### Who Should Attend

- High school students curious about building, design, construction and the trades
